## “PRODUCING LEADERS”

- JAN 23** Network  
The people you know just may bring your project to the next level. Find out more about the importance of networking and hone your skills
- FEB 27** Conversation  
It is important to connect with your community and your region by helping to tell it's story. Converse with fellow leaders about your connection and ways to make it stronger
- MAR 27** Coach  
Help people achieve what they want...without doing it for them...or telling them what to do.
- APR 24** Get it Together: Extended Session  
Organize your life with tips and ideas on planning, goal setting and align your mission with your actions.
- MAY 22** Focus  
Many things are vying for our attention, find ways to focus on priorities and create mindfulness in a great outdoor setting.
- OCT 23** Lead  
Leaders are people of all ages, backgrounds and experiences. Hear from a panel of leaders while connecting with emerging leaders.
- NOV 27** Learn  
Facilitated discussion on leadership book
- DEC 11** Give  
Give back. Learn of opportunities to partner with organizations and initiatives to better your communities.

EMPOWERING LEADERS MEETS AT VARIOUS LOCATIONS IN THE COMMUNITY FROM 12PM-1PM
