

# FESTIVAL • of • LIGHTS

December 1, 2021 | Bowman City Park

You've made the park beautiful over the Holiday Season for three years now and we can't wait to see what you do in year four! This year, we are adding a little friendly competition to the mix. On the night of the Lighting Ceremony the community will decide on the best decorated tree, shelter, or sign and one will be named "People's Choice". They will get a special marking denoting their award and \$250 in Bonus Bucks.

The park will light for the first night on December 1 and remain lit until January 16. The park's trees will be adorned with the lights and decorations of community organizations, local talent will perform, hot drinks and treats will be served, and luminaries decorated by local children will line the path.

Attached is a map of the park with trees, shelters, and a sign waiting to be lit. Fill out the form below with your top three choices of the tree or shelter you would like to decorate. Trees and shelters will be assigned on a first-come, first-serve basis according to your preference. Watch for an email with your final assignment.

Once you receive your assignment, and after October 29, you can start decorating your tree or shelter. All lights must be LED. You will have ONE female end that will come to the base of your tree, please have all of your lights or decorations come to ONE male end. The power will not be turned on at the park. If you need to check your power please make special arrangements with the office.

We can't wait for you to be a part of Bowman's Christmas cheer!

## Important Dates

October 28 - Sign-up Deadline

October 29 - Start Decorating

November 22 - Decorating Deadline

December 1 - Festival of Lights

February 28 - Decor Clean Up Deadline
