SPONSORSHIP AND VISIBILITY OPPORTUNITIES

Sponsorships give you exposure and the opportunity to give back to your community by investing in events the Chamber hosts. These events provide commerce and improve the quality of life for all of our community members. Your sponsorships cover the cost of events such as advertising, equipment/supplies, operations, and putting on the event. If you choose to sponsor an event you will be listed on promotional materials that are generated for the event. Some events provide more prominent advertising on banners, signs, etc.

Below is a list of sponsorship and marketing opportunities for you to invest in. Keep in mind that these may change and other opportunities may be added throughout the year. We will also reach out for event sponsorships as their date approaches.

Your sponsorship is a significant part of the NDHSRF. Be a part of the tradition.
