

Building Bowman County

Application Form — Helping Shape What's Next for Our Communities

Building Bowman County is a new community advisory group created by Bowman County Development Corporation (BCDC) to strengthen communication between residents and the organization that supports growth and opportunity throughout Bowman, Rhame, Scranton, and all rural areas.

The group will meet quarterly to share ideas, identify needs, and help shape priorities and projects that make our county a great place to live, work, and raise families.

Applications are open October 21 – November 7, 2025. Selected participants will be notified by mid-November and invited to attend the first meeting in late November or early December.
